The Chairman or acting chairman of each Committee of the Senate shall keep, or cause to be kept, a record in which there shall be entered:

- a. The time and place of each hearing, and of each meeting of such Committee.

There shall be filed, in the proper envelope, with every Bill or resolution reported upon, a sheet containing the foregoing information as to such bill or resolution, to be filed by the Secretary of the Senate by the number of the Bill or resolution in such form as to be most accessible for the use of the members and the public, during the session, and at the end of the session in the office of the Secretary of State.

No hearing by a Standing Committee or a subcommittee of a Standing Committee, except the Committee on Rules, Assignment of Bills and Committee on Committees, and except continued hearings upon any Bill or Resolution shall be held unless notice thereof is given in the following manner:

By the Chairman of the Committee or subcommittee posting notice on the Senate bulletin board at least six days before the proposed hearing. The notice shall contain the day, hour and place of the hearing and the number or numbers of the Bills or Resolutions to be considered at the hearing, and by placing a copy of the notice on the desk of each member of the Committee or subcommittee.

Meetings of the Committees on Rules, Assignment of Bills, Committee on Committees, and Executive Appointments and Administration may be called on any day in which the Senate is in session by the Chairman making announcements thereof during the session or by giving notice to the members of said Committee on the legislative day preceding the meeting in substantially the form required by the paragraph next above.

Every Committee hearing shall be open to the public.

No proxy voting shall be allowed in any Senate committee or subcommittee and all voting shall be by members who are personally present.

COMMITTEE REPORTS

11. All Senate Bills favorably reported from Committee, or with respect to which a committee has been discharged, shall stand on the order of second reading unless otherwise ordered by the Senate, and may be amended in every particular on second reading. Bills reported from Committee "without recommendation" shall lie on the table unless ordered placed on the calendar by the Senate by a majority of those voting on the question.

Bills reported from a Committee with the recommendation "do not pass" shall lie on the table until the next legislative day, at which time, unless a written motion is made to take such Bills from the table, supported by a majority vote of the members

elected, the Bills shall be considered as finally tabled and stricken.

A Bill or resolution referred to a committee and not set for hearing within sixty days of assignment shall be reported from the Committee with the recommendation "do not pass", at which time, unless a motion to re-commit is made, supported by a majority vote of the members elected, such Bill or resolution shall be considered as finally tabled or stricken. If the motion to re-commit is supported by a majority vote of the members elected, such Bill or resolution shall be set for hearing at the next regularly scheduled meeting of the Committee.

CONFERENCE, SPECIAL COMMITTEES

12. All Senate members of the Conference Committees, Special Committees, Senate Commissions and Joint Commissions, shall be selected and named by the Committee on Committees, unless otherwise provided by statute.

When the Senate is in recess, Special Temporary Committees may be appointed by the President. The action of the President and of the Committee shall stand as the action of the Senate unless the action shall be amended or modified on roll call by a majority of the Senators elected at the next session of the Senate.

PRIORITY OF STANDING COMMITTEE

13. When motions are made for reference of the same subject to a Special Committee and to a Standing Committee, the question of reference to a Standing Committee shall be first put.

READING AND PRINTING BILLS

14. Every Bill shall be read by title on three different days, and the Bill and all amendments shall

be printed before the vote is taken on its final passage.

AMENDMENTS—SECOND READING

15. Amendments to Bills, except amendments striking out an emergency provision, may be offered at the conclusion of the second reading and shall be printed when adopted, and shall be filed in their proper order, immediately following the printed copy of the Bill, on each Senator's desk, one day before such amended Bill shall be read a third time.

When requested by five (5) or more members, amendments shall be printed and placed upon the desk of each Senator before the amendments may be voted upon on the order of second reading.

Amendments to Bills that propose to amend an existing law shall be in writing and shall indicate the changes in the existing law in the same manner as is required in Rule 5 for the Introduction of Bills.

ENACTING CLAUSE

16. A motion to strike out the enacting words of a Bill shall have precedence over a motion to amend, and, if carried by a majority of the Senators elected shall be deemed equivalent to rejection of the Bill.

ENROLLING AND ENGROSSING BILLS

17. It shall be the duty of the Clerk of the Enrolling and Engrossing Unit to examine all Bills and report mistakes to the Secretary of the Senate. The Secretary shall report these mistakes to the Senate at any time.

FINAL PASSAGE OF BILLS

18. On the final passage of all Bills, the vote shall be by yeas and nays, upon each bill separately, and shall be entered upon the Journal. No Bill shall become a law without the concurrence of a majority of all Senators elected.

NO AMENDMENTS ON THE THIRD READING

19. No amendments shall be in order at the third reading of a Bill, resolution or motion requiring three readings except to strike out an emergency clause; but it shall be in order at all times before the final passage of a bill, resolution or motion to move its commitment or recommitment.

EMERGENCY BILLS

20. When an act contains a clause or proviso fixing the effective day prior to the first day of July of the next calendar year, the question shall be "Shall the bill pass?" and if declared affirmatively by a vote of three-fifths of the Senators elected, then the Bill shall be deemed passed. If a majority of less than three-fifths of all Senators vote affirmatively on the question, then the vote on the Bill shall be deemed reconsidered, and the Bill subject to amendment by striking out the emergency clause and the effective date, and then the Bill shall be under consideration on third reading, with the emergency clause and the effective date stricken.

VOTING WITHIN BAR

21. No Senator shall be permitted to vote on any question unless within the bar before the vote is announced. The provisions of Rule 37 relating to suspension of Rules shall not apply to this rule.

ANNOUNCING VOTE

22. Subject to Rule 25, when the yeas and nays shall be taken on any question, no Senator shall be permitted to vote, or to change his vote, after a decision is announced from the chair, unless by the unanimous consent of the Senate.

ABSENTEES

23. On a roll call on any question, the names of the Senators shall be called by the Secretary of the Senate, and the absentees noted, after which names of the absentees shall once again be called, if such action be requested by the sponsor. Those absentees for whom in the opinion of the majority of the Senators present, no excuse or insufficient excuse is made, may be taken into custody as he or they appear; or he or they may be sent for and taken into custody and brought forthwith to the Senate Chamber by the Sergeant-at-Arms of the Senate, when so ordered by a majority of the Senators present.

JOURNAL

24. The Senate shall keep a Journal of its proceedings, which shall be published.

It shall be the duty of the Secretary to keep the Journal, in which he shall seasonably record the motions, resolutions, rules and decisions of the Senate, and to do and perform all such other acts appertaining to his office as may be required of him by the Senate.

“The Secretary of the Senate shall cause all resolutions adopted on the Resolutions Consent Calendar to be entered upon the Journal in a manner which describes the number of the resolution, its sponsor or sponsors and a brief description of its substance.”

ROLL CALL REQUESTED

25. Upon the request of two members made before the Senate has taken action on any other question, which requests may be oral or in writing, and before or after a viva voce vote or before or after a division, the yeas and nays shall be taken on question and entered upon the Journal.

DECORUM AND DEBATE

26. When any Senator is about to speak or deliver any matter to the Senate, he shall rise from his seat and address the Presiding Officer as "Mr. President." Upon being recognized by the Chair, the latter will address him by name and thereupon, and not until then, the engineer in charge of operating the microphones in the Senate will give the use of the microphone to the Senator who has been so recognized. The latter in speaking shall confine himself to the subject matter under discussion and avoid personalities.

No member shall request the floor upon a matter of personal privilege for the purpose of introduction of guests in the galleries unless the Presiding Officer shall have first announced that the general order of business of the Senate has been completed or suspended and that introduction of guests is in order.

27. If any Senator in speaking (or otherwise) transgresses the rules of the Senate, the President shall, or any Senator may, call him to order, in which case the Senator so called shall sit down, unless permitted to explain; and the Senate if appealed to, shall decide on the case without debate. If the decision be in favor of the Senator called to order, he shall be at liberty to proceed. If otherwise, and the case requires it, he shall be liable to the censure of the Senate.

28. If any Senator be called to order for words spoken in debate, the person calling him to order shall repeat the words excepted to, and they shall be taken down by the Secretary. No Senator shall be held to answer or be subject to the censure of the Senate for words spoken in debate, if any Senator has spoken in debate or other business has intervened after the words spoken and before exceptions to them shall have been taken.

29. If two or more Senators rise at once, the

President shall name the Senator who is to speak first.

30. No person shall give any signs of approbation or disapprobation while the Senate is in session.

31. No Senator shall speak more than 5 minutes on the same question without the consent of the Senate, nor more than twice on that question. No Senator shall speak more than once until every Senator choosing to speak shall have spoken. No Senator may explain his vote.

32. While the Presiding Officer is putting a question, no Senator shall leave or walk across the Senate Chamber. When a Senator is addressing the Senate, no Senator or other person entitled to the floor shall entertain private discourse nor pass between the speaker and the Presiding Officer.

PROTEST

33. Any two Senators shall have the right to dissent and protest in respectful language, against any act, or resolution which they may think injurious to the public or to any individual, and have the reason of their dissent entered upon the Journal. When the objection is made that the language of a protest is not respectful, the Senate may refer it back to the Senators protesting.

DISORDERLY BEHAVIOR

34. The Senate may punish its members for disorderly behavior, and, with the concurrence of two-thirds of all the Senators elected, expel a Senator but not a second time for the same cause; and the reason for such expulsion shall be entered upon the Journal with the names of the Senators voting on the question. (Constitution, Article IV, Section 6(d).)

35. The Senate during its session may punish by

imprisonment any person other than a Senator, guilty of disrespect to the Senate by disorderly or contemptuous behavior in its presence. Imprisonment shall not extend beyond twenty-four hours at one time unless the person persists in disorderly or contemptuous behavior. (Constitution, Article IV, Section 6(d).)

EXECUTIVE SESSIONS

36. The sessions of the Senate shall be open to the public at all times. Sessions and committee meetings of the Senate may be closed to the public if two-thirds of the members elected to the Senate determine that the public interest so requires. (Constitution, Article IV, Section 5(c).)

SUSPENSION OF RULES

37. No rule of the Senate shall be altered, suspended or rescinded, except by unanimous consent of the Senators present, or upon motion supported by affirmative vote on roll call of a majority of the Senators elected. Any alteration, suspension, or decision having the approval of the Committee on Rules may be adopted on roll call by a majority of the Senators present.

MOTIONS

38. No second shall be required to any motion presented to the Senate.

39. When a motion is made it shall be stated by the President, or being in writing, shall be handed to the Secretary and read aloud before debate.

40. Every motion shall be in writing, if any Senator desires it, in which event the proponent of such motion may forthwith reduce the motion to writing and have action taken on it immediately.

41. After a motion is stated by the President or read by the Secretary, it shall be deemed in the

possession of the Senate, but may be withdrawn at any time by the unanimous consent of the Senate before decision.

PRECEDENCE OF MOTIONS

42. When a question is under debate, no motion shall be received, but—

To adjourn,

To question the presence of a quorum,

To lay on the table,

The previous question,

To postpone indefinitely,

To postpone to a day certain,

To commit, or re-commit,

To close debate on pending questions, or

To amend,

which several motions shall have precedence in the order in which they are listed.

During a roll call no motion, except a motion to postpone, shall be in order until after the announcement of the result of the vote.

PRIORITY OF MOTIONS

43. A motion to commit or re-commit until it is decided, shall preclude all amendments and debate on the main question. A motion to postpone indefinitely or to a day certain, until it is decided, shall preclude all amendments on the main question.

MOTION TO ADJOURN

44. A motion to adjourn shall always be in order except when the roll is being called and except when, a previous motion to adjourn having been defeated, no intervening business has been transacted.

Motions to adjourn or to lay on the table shall be decided without debate.

The yeas and nays shall be taken and entered upon the Journal upon every motion to adjourn.

MOTION TO POSTPONE

45. No motion—

To postpone to a day certain,

Or indefinitely,

Or to commit, or re-commit,

being decided in the negative, shall again be allowed on the same day, or at the same stage of the bill or proposition.

After a roll call has been started, only a motion by the principal sponsor to suspend the roll call shall be considered.

A motion to postpone further consideration or to suspend a roll call on a bill or proposition may not be made more than once on the same bill or proposition.

MOTION TO TABLE

46. A motion to lay any particular proposition on the table shall apply to that proposition only.

MOTION ON DIFFERENT SUBJECT

47. No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment.

QUESTION— DIVISION OF QUESTION

48. If the question in debate contains several points, any Senator may have the same divided. On motion to strike out and insert, it shall not be in order to move for a division of the question. The rejection of a motion to strike out and insert one proposition shall not prevent a motion to strike out and insert a different proposition.

RECONSIDERATION OF QUESTION OR NOTICE THEREFOR

49. When a question has been once put and carried in the affirmative or negative, it shall be in order for a member of the prevailing side to move, on the same or following legislative day, for the reconsideration thereof, or give notice on the same or following legislative day, that he will make such motion not later than the next legislative day following the day on which he gives said notice. During this time he shall have control of the motion. No motion for the reconsideration of any vote shall be in order after a bill, resolution, message, report, amendment or motion upon which the vote was taken shall have gone out of the possession of the Senate. No motion for reconsideration shall be in order unless made at the next actual session day of the Senate. However, should the Senator giving notice of the motion to reconsider not make the motion within the time prescribed by the rules, any other Senator voting with the prevailing side may make the motion within the next succeeding legislative day. Such motion shall take precedence of all other questions, except a motion to adjourn.

In the event that a motion to reconsider has been made within the time prescribed by the rules, but has not been acted upon because the Senate has not considered the order of business under which motions may properly be presented, the motion shall be considered in effect until the next legislative day upon which that order of business is reached. Under that order of business the motion shall be called up for a vote by the members making the motion, or it shall be deemed to have been withdrawn.

Whenever notice of a motion to reconsider is given, or a motion to reconsider is made, within the time prescribed by the rules, the Secretary of the Senate shall not allow the Bill, or other subject

matter of the motion, to pass out of the possession of the Senate until after the motion has been decided or withdrawn.

50. Upon a motion to reconsider the vote on the final passage of any Bill, the affirmative vote of a majority of all the Senators elected shall be required to reconsider the same.

51. If a Bill shall fail to pass on account of not having received the constitutional majority any Senator having voted in the negative shall have a right to move a reconsideration.

PREVIOUS QUESTION

52. The previous question shall be stated in this form: "Shall the main question now be put?" and until the previous question is decided by a majority of the Senators elected, all amendments and debate shall be precluded. When it is decided that the main question shall not be put, the main question shall be considered as still remaining under debate.

53. The effect of the main question being ordered shall be to put an end to all debate and bring the Senate to a direct vote on the immediately pending motion. After the motion for the previous question has been determined, it shall not be in order to move for a call of the roll of the Senate (unless it shall appear by the yeas and nays as taken on the main question that no quorum is present), or to move to adjourn, prior to a decision on the main question.

EXECUTIVE COMMUNICATIONS AND NOMINATIONS

54. Messages from the Governor and communications from State officers may be received at any time, except when the President is putting a question or the yeas and nays are being called.

SUBSTITUTE BILL

55. When a committee reports a substitute for an original Bill with the recommendation that the substitute pass, it shall be in order to read by title the substitute a first time at once.

CONFERENCE REPORTS

56. No subject shall be included in any conference committee report on an appropriation bill unless such subject matter directly relates to matters of differences between the Houses and has been specifically referred to the Conference Committee. No appropriation bill shall be passed and no report of any Conference Committee on any appropriation bill shall be considered unless the bill or report has been printed in its final form and placed on the desks of the members at least three legislative days prior to the final passage of the bill or the consideration of the report.

CONCURRENCE IN HOUSE AMENDMENTS TO SENATE BILLS

57. Any Senate Bill amended in the House and returned to the Senate for concurrence in the House amendment shall lie upon the desk of the Secretary one full legislative day before being further considered.

No Senate Bill which shall be returned to the Senate with House amendments shall be called from the Secretary's desk except by the principal sponsor.

THE PRESIDENT

58. The President or in his absence any Senator called to the Chair by the President, shall take the Chair every day precisely at the hour to which the Senate shall have adjourned and shall immediately call the Senators to order. On the appearance of a quorum, he shall cause the Journal of the preceeding day to be read, or if the provisions of Rule 4 are

applicable and if request is made by the sponsor of an item of business which was unfinished at the conclusion of the Session of the preceeding legislative day, he shall announce consideration of that unfinished business.

All processes issued by order of the Senate, or any of its Committees, shall be signed by the President.

59. The Presiding Officer shall preserve decorum and order; may speak to points of order in preference to other members, arising from his seat for that purpose and shall decide questions of order subject to an appeal to the Senate by any two Senators—on which appeal no Senator shall speak more than once, unless by leave of the Senate. The Presiding Officer shall decide and announce the result of any vote taken.

The President shall have the right to vote on all questions, and on all questions, he shall vote last.

60. In any appeal taken from a ruling of the Presiding Officer, the Presiding Officer shall be sustained unless three-fifths of the Senators elected vote to overrule him.

61. Questions shall be put in substantially the following form? “The question is, shall _____? Those in favor will vote ‘Aye’, and those opposed shall vote ‘Nay’.” Subject to Rule 25, if the President doubts the results of the vote, or a division is called for, the Senators shall divide; those in the affirmative shall first rise from their seats, and afterwards those of the negative.

62. The President shall examine and report to the Senate in writing any corrections he deems should be made in the Journal before it is approved. If said corrections are approved by the Senate, they shall be made by the Secretary. Upon announcement by the President that he has been unable, for good cause, to examine the Journal prior to reaching that order of business, the approval of the Journal may be deferred. The President shall examine the Journal

and report to the Senate as soon as possible thereafter. When the President is absent from the Senate Chamber, or leaves the chair, a Senator designated by the President shall preside.

63. In case of any disturbance or disorderly conduct in the lobby or gallery, the President shall have the powers to order the same to be cleared.

SECRETARY OF SENATE

64. The Secretary of the Senate shall be the custodian of all Bills introduced in the Senate, or reported from the House. The Bills shall be kept in his office, and shall be withdrawn from his office only when required for printing or by the respective standing or special committees of the Senate. On the order of the chairman or acting chairman of a committee, and the clerk of the committee or person delivering the order at the Secretary's office shall write his name upon the bill record before removing any Bill from the Secretary's office. No Bills shall be withdrawn from the Secretary's office in any other manner.

No copies of original Bills shall be made by any person, except an employee of the Legislative Reference Bureau engaged in preparing material for the Legislative Digest, while in the hands of the printer or committee.

The foregoing provisions shall not apply to printed copies of Bills.

65. All assistant secretaries and other employees of the Secretary of the Senate's office shall report to him and be under his supervision and control.

SERGEANT-AT-ARMS

66. It shall be the duty of the Sergeant-at-Arms to attend the Senate during its sessions, to execute the commands of the Senate, together with all such process issued by authority thereof as shall be directed to him by the President.

ENROLLING CLERK

67. The Enrolling and Engrossing Clerk and his assistants shall be under the control and supervision of the Secretary of the Senate.

ROBERT'S RULES

68. The rules of parliamentary practice comprised in Robert's Rules of Order shall govern the Senate in all cases to which they are applicable, providing they are not inconsistent with the standing rules and orders of the Senate.

LENGTH OF ADJOURNMENT

69. The Senate shall not adjourn, without the consent of the House of Representatives, for more than three days, nor to any other place than that in which the two Houses shall be sitting. (Constitution, Article IV, Section 15(a).)

CONSIDERATION OF VETOES

70. Upon receipt by the Senate of any bill returned by the Governor under any of the provisions of Section 9 of Article IV of the Illinois Constitution, the Secretary of the Senate shall enter the objections of the Governor on the Journal.

71. Motions with respect to bills returned by the Governor may be made by the sponsor or by any member who voted on the prevailing side on the vote on final passage of the bill in question. Every motion shall be filed in writing with the Secretary prior to any consideration thereof by the Senate. If more than one motion is filed with respect to any bill, all such motions shall be heard at the time the bill is called. If the sponsor does not call a bill within eight calendar days after the Governor's objections to such bill are entered in the Journal, thereafter any person filing such a motion may call such bill.

72. a) The vote to override a bill vetoed in its entirety shall be by roll call vote and shall be entered on the Journal. The form of motion with respect to such bills shall be: "I move that _____ Bill _____ do pass, the veto of the Governor to the contrary notwithstanding."

b) The vote to override an item veto shall be by roll call vote as to each item separately and shall be entered on the Journal. The form of motion with respect to such item shall be: "I move that the item on page _____, line _____, of _____ Bill _____, do pass, the item veto of the Governor to the contrary notwithstanding."

c) The vote to restore an item which has been reduced shall be by roll call vote as to each item separately and shall be entered on the Journal. The form of motion with respect to such items shall be: "I move that the item on page _____, line _____, of _____ Bill _____ be restored, the item reduction of the Governor to the contrary notwithstanding."

d) A bill returned together with specific recommendations of the Governor may be acted upon in either of the following manners.

(1) By a motion to accept the specific recommendations of the Governor. The form of motion in this event shall be: "I move to accept the specific recommendations of the Governor as to _____ Bill _____ in manner and form as follows: (inserting herein the language deemed necessary to effectuate the specific recommendations)", or

(2) By considering the bill as a vetoed bill and overriding the recommendation and passing the bill in its original form. The form of motion in this event shall be: "I move that _____ Bill _____ do pass, the specific recommendations of the Governor to the contrary notwithstanding."

73. In the event a bill is returned by the

Governor containing more than one veto, reduction, specific recommendation, or combination thereof, the bill shall be acted upon in its entirety before the bill is released from the custody of the Senate.

74. When a bill or item received the affirmative vote of at least $\frac{3}{5}$ of the members elected (as to outright vetoes and item vetos) or the affirmative vote of at least a majority of the members elected (as to reductions or bills returned with specific recommendations for change), the Presiding Officer shall declare that the bill or item has been passed or restored over the veto of the Governor, as the case may be. The bill shall then be so certified by the Secretary who shall note thereon the day the bill passed. Such bill and the objections of the Governor thereto shall then be immediately delivered to the House.

When specific recommendations have been accepted, then such accepting language shall be attached to the original bill which bill shall be delivered to the House.

HOUSE RULES

I

ORGANIZATION

1. *Election of Officers.* At the first meeting of the House of each General Assembly, the Secretary of State shall preside until the House elects from its membership a Speaker of the House of Representatives as presiding officer. The Secretary of State shall first appoint a Temporary Clerk who will call the roll of the members elect as shown by the official elections returns on file in the Secretary of State's office. The Secretary of State shall then ask a member of the judiciary to administer the oath of office to the members elect who are present.

If a quorum of the members is present, the Secretary of State shall then call for nominations of members for the office of Speaker. When the nominations are completed, the Secretary of State shall direct the Temporary Clerk to call the roll of the members to elect a Speaker. In each election, the person receiving a majority of the votes of the members elected shall be declared elected Speaker.

The Speaker shall then relieve the Secretary of State as presiding officer and the House shall proceed to elect a Clerk and Doorkeeper who are not members of the House. In each election, the person receiving a majority of the votes cast shall be declared elected Clerk or Doorkeeper.

2. *Majority and Minority Leadership.* After the officers of the House have been elected and before any legislative business is transacted, the Speaker and Minority Leader shall appoint the members of the Majority and Minority Leaderships. The Speaker shall appoint one Majority Leader, three assistant majority leaders and two majority whips.

The Minority Leader is the leader of the numerically strongest political party other than the party to which the Speaker belongs. The Minority Leader shall appoint three assistant minority leaders and two minority whips.

3. *Permanent Seats.* After the appointment of the Leadership pursuant to Rule 2, the House shall proceed directly to the selection of seats. The House shall be in recess while the floor is cleared. The leaders shall choose their seats in the following order: (1) Majority Leader; (2) Minority Leader; (3) three assistant majority leaders; (4) three assistant minority leaders; (5) two majority whips; and (6) two minority whips. The Clerk shall place the names of the remaining members in separate boxes according to seniority. The Clerk shall then draw from each box one name at a time according to seniority and announce each name. If two or more members have the same status in seniority, those members shall choose their seats in an order determined by lot. Each member may thereupon choose his seat in the order called.

II OFFICERS

4. *The Speaker.* The duties of the Speaker are the following:

(a) The Clerk shall print a Consent Calendar on the daily calendar and designate it as a separate calendar. The consent calendar shall contain three orders of business: Consent Calendar—Second Reading, Consent Calendar—Third Reading, and Consent Calendar—Resolutions. Within each order of business, bills or resolutions shall be listed in separate groups according to the number of required days each has been on that order of business on the Consent Calendar. All bills or resolutions to which amendments have been adopted shall be so designated.

(b) No debate is in order regarding any item on the consent calendar. However, the Speaker shall allow a reasonable time for questions from the floor and answers to those questions. No amendment from the floor is in order regarding any bill or resolution on the consent calendar.

Resolutions on the Consent Calendar shall stand for at least 4 legislative days before a vote on adoption may be taken. One roll call vote on final passage shall be taken on those bills called for final passage. Immediately prior to a vote on the bills on the consent calendar the Speaker shall call to the attention of the members the fact that the next roll call will be the roll call on the consent calendar.

(d) A bill or resolution may be placed on the consent calendar by report of a standing committee upon a motion adopted by a unanimous vote of the members present. For purposes of this Subsection (d), a unanimous vote is a vote with no member voting nay.

(e) No bill regarding revenue or appropriations may be placed on the consent calendar. No resolution requiring 89 or more affirmative votes for adoption and no bill requiring more than 89 affirmative votes for passage by the House may be placed on the consent calendar.

(f) The Speaker and Minority Leader shall each appoint three members who may challenge the presence of any bill or resolution on the consent calendar. Prior to a vote on final passage of any item on the consent calendar, the item shall be removed from the consent calendar if

Any bill removed from the consent calendar shall stand on the order of Second Reading on the daily calendar, and any resolution so removed shall stand on the Speaker's Table.

9.1. Supplementary Consent Calendars and Short Debate Calendars.

(a) The Clerk shall include on the Daily Calendar separate calendars designated as Supplementary Consent Calendars and a Short Debate Calendar. Each Supplementary Consent Calendar may include no more than 50 bills.

(b) The Supplementary consent Calendars and Short Debate Calendars may contain only bills on Third Reading, and shall list them in numerical order.

(c) Bills shall be transferred from the regular Calendar to either a Supplementary Consent Calendar or to the Short Debate Calendar by the following procedure: The Speaker and the Minority Leader shall each appoint two members of the House for each standing committee to review the bills on Third Reading which were reported by that committee other than the Appropriations committees. Any such bill shall be transferred by concurrence of three of the four members appointed to review the bills from the particular committee which

reported it. The transfers shall be filed with the Clerk.

(d) Bills on a Supplementary Consent Calendar shall be treated in the same manner as bills on the regular Consent Calendar, Third Reading, and may be stricken therefrom in the same manner as provided in Rule 9. In addition, bills may be stricken from a Supplementary Consent Calendar by any three members of the Rules Committee. No more than two Supplementary Consent Calendars may be called for a vote on a single day.

(e) Bills stricken from a Supplementary Consent Calendar shall be transferred to the Short Debate Calendar, except that the sponsor may transfer his bill to the regular calendar from either a Supplementary Consent Calendar or the Short Debate Calendar.

(f) Bills on the Short Debate Calendar shall be called on that order pursuant to Rule 37, but debate shall be limited to a two-minute presentation by the sponsor and a two-minute presentation by an opponent.

(g) The sponsor of any bill on any calendar shall have the right, prior to the commencement of the debate on Third Reading, to recommit his bill to the Interim Study Calendar of the standing committee in which it was heard.

(Rule 9.1 was repealed as of June 30, 1977.)

10. *Changing Order of Business.*

(a) Any order of business may be changed at any time by the Speaker.

11. *Special orders—Rules Committee.*

(a) A special order of the day or a special order of business may be set by the Rules Committee or by the Speaker. A special order with respect to a bill or resolution shall require the consent of the principal sponsors. A special order shall fix the day to which it applies and the matters to be included. The Rules Committee, by a vote of 2/3 of its membership, may establish limitations on debate during a special order, in which event the allotted time shall be fairly divided between proponents and opponents of the legislation to be considered. A special order of the day shall take the place of the standing order. A special order of business shall take the place of the standing order for such time as may be necessary to its completion. Only matters which may otherwise properly be before the House may be included in a special order.

(b) A special order shall appear on the daily calendar for 3 legislative days. This subsection (b) may be suspended only upon an affirmative vote of 107 members.

(c) A special order may be suspended, amended, or modified by motion adopted by an affirmative vote of 89 members. A special order shall be suspended by a written objection signed by 8 members of the Rules Committee and filed during the first legislative day on which the special order appears on the calendar.

The original notice or any supplemental notice shall not be altered on its face as to the bills, resolutions, proposals, proposed committee bills, election contests, qualification challenges, or executive reorganization orders to be considered by the Committee.

(b) The Clerk shall post one copy of the notice on a bulletin board designated by the Clerk as the Official House Bulletin Board endorsed by a time stamp indicating the exact date and hour of posting, which time may not be later than 12 o'clock noon on the day following the regularly scheduled meeting day for the committee but not less than 6½ days prior to the meeting for which the bills are posted. For purposes of this Rule, a half-day begins or ends at noon.

(c) Promptly after posting, the Clerk shall deliver an exact copy of the time-stamped notice to the Speaker and Majority and Minority Leaders.

(d) No notice by posting is required for any meeting held in the week preceding June 30th in any regular session, but the meeting shall be announced on the floor of the House.

(e) Notice shall also be given by including a notice of the hearing in the House Calendar. This calendar requirement shall not be jurisdictional.

(f) When any bill, proposal or resolution is to be considered by a committee, the principal sponsor shall be notified by the Chairman of the time and place where such matter is to be considered. Notice to the sponsor may be a copy of the notice required by this Rule.

(g) The preceding posting requirements shall be applicable to the initial scheduling of a bill, proposal or resolution for hearing and to the rescheduling of the matter for hearing during the next or any subsequent legislative week.

(h) No bill or resolution may be heard or any vote taken thereon in any committee or subcommittee unless notice thereof is made pursuant to Rule 18, except for a vote to refer the matter to a subcommittee where the chief sponsor has been given one day prior notice and does not object. Notice of a vote to sponsor a proposed committee bill shall be given by specifying the subject matter of the bill or by specifying that the proposed bill is a substitute for enumerated bills.

(i) No bill, proposal or resolution may be posted for hearing in Committee until printed copies are available in the bill room. No bill, proposal or resolution may be called in a committee unless a copy is available and distributed to every committee member at the time of the hearing. No amendment may be voted upon in committee unless it is available and distributed to members of the committee at the time of the roll call on the amendment. This subsection may only be suspended prospectively.

(j) No committee may post more than 50 bills and resolutions for one meeting. A committee may schedule more than one meeting during a week, but

It must follow the posting and notice requirements of Rule 18 separately for each such meeting.

(k) This Rule may be suspended only upon an affirmative vote of 107 members. A motion to suspend the posting requirements of this rule must be in writing, specifying the committee and the bills, proposals or resolutions to which the motion applies, and shall be carried on the calendar before it may be taken up by the House. The calendar requirements of this paragraph may be suspended only by unanimous consent.

19. *Conduct of Meetings.*

(a) In appeals from a ruling of the Chairman, the ruling prevails unless a majority of those appointed to the committee vote to overrule the chair.

(b) In any committee meeting, the use of cameras, television, radio or any form of telecommunications equipment is allowed, but the chairman may designate the areas of the hearing room from which the equipment may be operated.

(c) When a committee meeting takes place in the House Chamber, the provisions of Rule 55 apply. Access to the chamber is restricted to members and authorized persons only. The Chairman shall assign seats to witnesses appearing before the committee.

(d) In all committee meetings not in the House Chamber, the House Rules shall be observed insofar as they are applicable.

(e) The Chairman of a committee is responsible for insuring that the appropriate rules of the House

are observed and proper decorum and order practiced in all committee meetings.

(f) No proposed committee bill shall be considered for sponsorship by a committee unless copies thereof have been made available to the members of the committee.

20. *Subcommittees.*

Subcommittees may be created by vote of a standing committee. The Chairman and members of a Subcommittee shall be appointed by the Chairman of the full Committee provided that the minority party members shall be appointed pursuant to the recommendations of the minority spokesman. The Chairman shall notify the Clerk of the House of the creation and membership of each subcommittee. A bill assigned to a Committee may be referred by the Committee to a Subcommittee, in which event the Chairman shall immediately notify the Clerk of the House and the chief sponsor of the bill.

21. *Place of Meetings.* The Speaker shall assign the meeting rooms to be used by each committee and sub-committee.

22. *Meetings During Session.* No committee may meet during any session of the House or during any party conference. No commission created by Illinois law which has legislative membership shall meet during any session of the House.

23. *Rights of the Public.*

(a) If a bill or resolution has been properly set for hearing and witnesses are present and wish to testify, the committee shall hear the witnesses at the scheduled time and place.

(b) Any person wishing to offer testimony to a committee hearing of a bill or resolution shall be given a reasonable opportunity to do so, orally or in writing. No testimony in writing is required of any witness, but any witness may submit a statement in writing for the committee record. All persons offering testimony shall complete a "Record of Committee Witness" form and submit it to the committee clerk prior to testifying.

(c) A motion to foreclose further oral testimony by witnesses on a matter before a standing committee may be adopted only by a 2/3 majority of those voting on the motion. No such motion shall be in order until both proponents and opponents requesting to be heard have been given a fair and substantial opportunity to express their positions. No one shall be prohibited from filing for the record "Record of Committee Witness" forms or written statements while the matter is before the committee.

(d) Meetings of committees and sub-committees shall be open to the public. Committee meetings of the House may be closed to the public if two-thirds of the members elected to the House determine that the public interest so requires.

(e) This rule cannot be suspended retroactively.

4. *Voting and Reporting by Committees.*

(a) Each standing committee shall consider the bills and resolutions referred to it and report one of the following recommendations to the House.

(2) That the bill "do not pass";

- (3) That the bill "do pass as amended";
 - (4) That the bill "do not pass as amended";
 - (5) That the bill "do pass and be placed upon the Consent Calendar";

- (b) No bill or resolution shall be reported without a recommendation except by the Committee of the Whole House. For purposes of definition, the foregoing recommendations 1, 3, 5, 6, 7 and 9 are favorable reports, recommendations 2, 4, 8 and 10 are unfavorable reports, and a reported substitute is an unfavorable report as to the bill or resolution substituted. The report shall show both the numerical vote and the roll call vote on the bill or resolution. A bill or a resolution requiring 89 or 107 votes for adoption by the House may not be reported "Do Pass," "Do Pass as Amended," "Be Adopted" or "Be Adopted as Amended" except

upon the affirmative vote of a majority of the members appointed to a standing Committee.

(c) No bill or resolution may be voted on more than twice in any committee on motions to report the bill or resolution favorably to the House, or to reconsider the vote by which the committee adopted a motion to report the bill or resolution unfavorably. A bill or resolution having failed to receive a favorable recommendation after two such roll calls shall be automatically reported with the appropriate unfavorable recommendation. No bill or resolution shall be called for a vote in committee, without the approval of the chief sponsor, where such roll call is the final vote permitted under this subsection. For purposes of this paragraph, a vote in committee is held as soon as a roll call is commenced.

(d) Amendments offered in Committee shall be numbered sequentially in the order submitted, and shall retain such number and be part of the permanent record whether or not adopted and notwithstanding their withdrawal or tabling. Amendments to an amendment shall be in order only with the unanimous consent of the members present, and if considered shall be numbered sequentially in the order submitted and voted upon prior to the vote on the main amendment. If a bill is reported as amended by an amendment which has itself been amended, the Committee shall report the main amendment as amended, and shall not separately report the subsidiary amendments.

(e) When a committee reports a committee bill or resolution favorably, the Chairman shall designate a member of the Committee to be floor manager who shall act as sponsor of the bill or

resolution on the floor. This designation shall be reported with the bill or resolution and shall be indicated on the daily calendar.

(f) No member of a committee may vote except in person at the time of the call of the vote.

25. Scheduling of Bills in Committee.

(a) The Chairman of the committee shall set each bill or resolution within 30 days after it is referred to the committee. If the Chairman fails or refuses to do so, a majority of the members appointed to the committee may act to set a bill or resolution. Each bill shall, if requested by its sponsor, have a hearing prior to the 45th day after its assignment to a committee.

(b) Upon an affirmative vote of two-thirds of the members appointed to a committee, a bill or resolution may be assigned to the committee's interim study calendar. A bill or resolution placed on the interim study calendar cannot be reported out of the committee until the first legislative day following the Governor's delivery of the annual budget message in the following year. At that time the bill or resolution shall be upon the regular calendar of the committee.

(c) A bill on the interim study calendar of a committee may be discharged from that committee only by an affirmative vote of 107 members notwithstanding Rule 66.

(d) In the odd numbered year, the final date for committee action on House bills shall be April 30, and the final day for committee action on Senate bills shall be June 11. Any bill not acted upon in

compliance with this deadline shall be automatically tabled, except for bills on the interim study calendar and bills exempt under Rule 27 (c). This sub-section may be suspended only by an affirmative vote of 107 members.

(4) The vote of each member on all motions, bills, resolutions and all amendments acted upon, copies of all amendments offered in committee and a record of the disposition thereof.

(b) The record shall be approved by the Chairman after each committee meeting.

(c) The committee clerk shall file with the Clerk of the House a committee record envelope for each bill or resolution reported upon containing the "Committee History", the "Committee Action

Report", and all "Record of Committee Witness" forms, relating to the bill or resolution. All committee reports shall be signed by the Chairman or by the Vice Chairman with the Chairman's approval. The Clerk of the House shall record the committee's roll call vote on each bill or resolution, together with the date of the vote, in the House Journal. He shall also file the committee record envelope of each bill numerically in such a manner as is accessible for everyone. During the session the file shall remain in his office and thereafter in the office of the Secretary of State. The record returned to the Clerk shall include a copy of all written material presented to the committee, all votes taken in connection with the matter reported, and copies of all amendments filed.

(a) The original of each bill introduced shall be filed with 9 copies at the office of the Clerk of the House. Bills may be introduced by members or by committees. Committee bills must be approved by a majority of the membership of the committee. Committee bills may not have individual sponsors. Other bills may have co-sponsors with the approval of the principal sponsor.

(b) No House bill to be considered by June 30th of any odd numbered year, except those designated in sub-section (c), may be filed after April 2 of that calendar year. Any House bill introduced after that date, if exempt under subsection (c), shall be assigned to the proper committee, and if not exempt shall be referred to the Rules Committee. This sub-

section may be amended or suspended only by an affirmative vote of 107 members.

(c) The provisions of sub-section (b) do not apply to (1) a bill appropriating funds, (2) a bill introduced by a standing committee of the House or Senate, but not including bills introduced after deadline for introduction of bills in the House of Origin until July 1 of an odd-numbered year, and (3) a bill determined by a majority of all the appointed members of the Rules Committee to be an emergency bill necessary for the operation of government. Consideration of bills by the Rule Committee for determination of emergency status shall require 2 days notice by the posting procedures specified in Rule 18.

(d) The first page of the bill shall contain a synopsis prepared by the Legislative Reference Bureau. Every House bill and constitutional amendment resolution must be drafted or retyped by the Legislative Reference Bureau and contain an indication thereof.

(e) Appropriations bills for the offices of Governor, Lieutenant Governor, Attorney General, Secretary of State, Comptroller, Treasurer, Auditor General and Office of Education shall be filed by separate bills for each office.

(f) Appropriations bills and amendments thereto shall be limited to the subject of appropriations.

28. *Legislative Synopsis and Digest.* In the Legislative Synopsis and Digest issued weekly during the session, only the name of the member who introduced a bill or resolution and the name of the

first four co-sponsors shall be indexed with the number of any bill of which the member is the principal sponsor. In every issue of the Synopsis and Digest all co-sponsors shall be shown in the main part of the Digest where bills and resolutions are listed in numerical order. When a bill or resolution is acted upon by a committee, the Digest shall indicate that numerical vote by which the bill or resolution was reported. Only the principal sponsor of a House Proposal shall be indexed, but the names of co-sponsors shall be listed with the synopsis of the proposal.

29. *Three Readings.* A bill shall be read by title on three different days in the House.

30. *Senate Bills.*

(a) When a Senate Bill is delivered to the Clerk of the House he shall report the bill and the message accompanying it to the House at the earliest opportunity. It shall then be placed upon the order of Senate Bills—First Reading.

(b) When a House member identifies himself to the Clerk as the House Sponsor, the bill shall then be read a first time.

(c) The name of the House Sponsor shall be printed on the calendar in brackets and on the printed bill.

31. *Assignment of Bills.*

(a) When a bill is introduced, it shall be read a first time and thereupon be sent to the Committee on Assignment.

(b) A bill may be advanced to the order of Second Reading without reference to committee, but only upon a motion adopted by an affirmative vote of 107 members. Such motion shall be in writing and shall be carried on the calendar before being taken up by the House. The calendar requirements of this subsection (b) may be suspended only by unanimous consent.

(c) The Speaker may, at his discretion, lay any bill or resolution before the House acting as a Committee of the Whole, in lieu of reference to committee by the Committee on Assignment. The Committee on Rules may, at any time before a bill or resolution is posted for hearing by a standing committee, lay such bill or resolution before the House acting as a Committee of the Whole, notwithstanding an assignment of such bill or resolution to a committee by the Committee on Assignment. No bill or resolution shall be considered in the Committee of the Whole House until the provisions of Rule 18 have been complied with. If the House refuses consent to such assignment, the Committee on Assignment shall refer the bill or resolution to the appropriate committee.

(d) In forming a Committee of the Whole House, the Speaker shall leave his chair and appoint an Acting Chairman to preside over the Committee of the Whole. No amendment may be offered to any

(f) Once a bill or resolution has been assigned to a committee by the Committee on Assignment, it may be reassigned, by the Committee on Assignment or by motion adopted by a vote of 89 members at any time. If an appropriations bill which has one or more companion bills has been assigned to one of the Committees on Appropriations, the Committee on Assignment may assign the companion bill or bills to the same Committees on Appropriations at any time if the sponsor of the bills requests such reassignment in writing of the Committee on Assignment. The Committee on Assignment may not reassign bills or resolutions unless at least one member of the majority party and one member of the minority party assigned to the Committee on Assignment are present.

(g) During regular and special sessions of the House, no bill may remain within control of the Committee on Assignment for a period exceeding 3 legislative days. This subsection may be suspended only upon the affirmative vote of 107 members.

The Legislative Reference Bureau shall also place an abbreviation or symbol following the listing of each House bill in the Legislative Synopsis and Digest indicating that a fiscal, judicial or pension system impact note may be required or requested.

(c) Whenever a sponsor obtains a fiscal, judicial or pension system impact note, it shall be filed in the Clerk's office with a time stamp indorsing the date and hour of filing. The note shall then be attached to the original of the House Bill and be available for inspection by House members. The Clerk of the House shall notify the Legislative Reference Bureau that such note has been filed and shall deliver to the Bureau a Copy of each fiscal note filed. In subsequent issues of the Legislative Synopsis and Digest, the Legislative Reference Bureau shall publish the fact that the fiscal, judicial or pension system impact note has been filed and, in the case of a fiscal note, shall set forth the estimate of the anticipated change in State expenditures of revenues as contained in such fiscal note.

(d) If the sponsor of a bill obtains a fiscal, judicial or pension system impact note for the bill prior to a committee hearing on the bill, he shall present a copy of the note to the members of the committee at or before the hearing.

(e) If a fiscal or judicial note has been requested by any member, the bill shall be held on the order of Second Reading until the note has been supplied or determined to be inapplicable.

(f) Whenever a bill requiring a fiscal or judicial note is amended in committee in a manner affecting the impact of the bill so as to require a statement of effect of the change proposed by the committee, the committee shall include such statement with its report, as required by statute. Any floor amendment to such a bill which would substantially affect a fiscal or judicial note previously filed shall be deferred until the sponsor of the amendment presents a revised note, upon a motion of any member adopted by a majority of the House. Whenever a bill requiring a pension system impact note is reported by a committee with an amendment which will substantially affect the impact of the bill on public pension systems, and whenever any such bill is amended on the floor in such manner, any member may request a new or revised pension impact note on the amended bill, and upon such request the bill shall be held on Second Reading for seven days or until such new or revised note is filed, whichever occurs first.

(g) No bill authorizing or directing the conveyance by the State of any particular interest in real estate to any individual or entity other than a governmental unit or agency may be voted upon in committee or upon Second Reading unless a cer-

33. *Bills Reported Out.*

(a) If a bill has been reported out of a committee "Do Pass", or "Do Pass As Amended", the bill shall stand on the daily calendar on the order of Second Reading for one legislative day before it may be called on that order.

(b) If a bill has been reported out of committee "Do Not Pass" or "Do Not Pass As Amended", it shall lie on the Speaker's Table for two legislative days. If no written motion to take the bills from the table is filed within those two days, the bills shall be finally tabled and stricken. If a motion is filed within those 2 legislative days, it may remain on the calendar only until the last legislative day of the legislative week subsequent to the week the motion was filed. If the motion is not adopted by that day, by a vote of 107 members, the bill shall be tabled and finally stricken and may not be revived. On the last day for adopting the motion, the sponsor shall have the right to call it. Upon a motion to take a bill from the Speaker's Table filed and adopted under this rule, the bill shall be placed on the calendar on the order of Second Reading—First Legislative Day. This sub-section may be suspended only upon an affirmative vote of 107 members, except the provision against revival of stricken bills may not be suspended.

(b) With leave of the House, a chief sponsor of a bill may return the bill from the order of Third Reading or from the order of consideration postponed to the order of Second Reading for the purpose of amendment. When a bill is returned to the order of Second Reading, it shall be in order to take up amendments to the bill.

(c) A bill returned to the order of Second Reading, to which amendments have been adopted, shall not again be taken up on the order of Third Reading that same legislative day and shall be readvanced to the order of business on the calendar from which it was returned to Second Reading. This paragraph may be suspended only upon an affirmative vote of 107 members.

(d) If unanimous consent is denied under this Rule, leave of the House may be granted by a vote of 89 members.

(e) A copy of engrossed House bills on the order of Third Reading and consideration postponed shall be made available at the Clerk's desk, and to the Majority Leader and Minority Leader.

(f) No House or Senate bill may be read a third time until its synopsis has been published at least once in the Legislative Synopsis and Digest.

(g) Notwithstanding the provisions of Rule 37, no House bill may be called for a vote on Third Reading after May 21 during the year in which it was introduced, and no Senate bill may be called for a

vote on Third Reading after June 25 during the year in which it was introduced. Bills not passed in accordance with this deadline shall be automatically tabled, except bills on the interim study calendar of a standing committee. 38. *Postponed Consideration.* When a bill is voted on final passage and receives at least 70 affirmative votes, the sponsor may, before the result is announced, place the bill on the order of postponed consideration. A bill may be placed on the order of postponed consideration only once and may be called for passage only once thereafter.

39. *Effective Date.*

(a) A bill passed after June 30th of a calendar year shall not become effective prior to July 1st of the next calendar year unless an earlier effective date is specified in the bill and it is approved by 107 of the members.

44.1. *House Action on Vetoes.*

(a) A member desiring to take action with respect to a veto shall file a written motion with the Clerk in accord with the provisions of the Joint Rules. The Clerk shall place the motions on the calendar under the appropriate heading as provided in the Joint Rules.

(b) No action may be taken on a vetoed bill or item until the legislative day following distribution of the Governor's message and the vetoed bill or item, and until the veto motion is on the calendar.

44.2. *Vetoed Bills on Calendar.* Vetoed bills shall appear on the calendar by bill number under the general heading, "Vetoes". That heading shall be

divided into five categories, "Total Vetoes", "Item Vetoes", "Reduction Vetoes", "Reduction and Item Vetoes", and "Amendatory Vetoes". Those bills which have been vetoed in their entirety by the Governor shall appear under the category "Total Vetoes". Those bills in which the Governor has vetoed an item of appropriation shall be listed under "Item Vetoes". Those bills in which the Governor has reduced (but has not entirely eliminated) an item of appropriation shall be listed under "Reduction Vetoes". Those bills in which the Governor has vetoed an item of appropriation and has reduced (but has not entirely eliminated) an item of appropriation shall be listed under "Reduction and Item Vetoes". Those bills which the Governor has returned together with specific recommendations for change shall be listed under "Amendatory Vetoes". Each entry under these categories shall include the name of the principal sponsor in the house of origin, the date on which the house entered the objections of the Governor on its Journal, and, where appropriate, a listing of the items vetoed or reduced by page and line number.

44.3. *Veto Motions.* In order to override a total or item veto, to restore a reduced item, or to accept or override specific recommendations for change made by the Governor, a member must file a written motion with the Clerk.

44.4 *Form of Veto Motions.* (a) The vote to override a "Total Veto" shall be by roll call and shall be entered upon the Journal. The form of the motion with respect to such bills shall be: "I move that (here insert House or Senate) Bill (here insert bill number) pass notwithstanding the veto of the Governor."

(b) The vote to override an item veto shall be by roll call vote upon each item separately and shall be entered upon the Journal. The form of the motion with respect to such item shall be: "I move that the item on page , line , of Bill pass notwithstanding the veto of the Governor."

(c) The vote to restore an item or items which have been reduced shall be by roll call vote upon each item separately and shall be entered upon the Journal. The form of the motion with respect such item shall be: "I move that the item on page , line , of Bill be restored to its original amount notwithstanding the reduction of the Governor."

(d) A bill returned by the Governor together with specific recommendations for change may be acted upon by roll call vote entered upon the Journal:

(1) By a motion to accept the Governor's specific recommendations for change. The form of the motion in this event shall be: "I move to accept the Governor's specific recommendations for change with respect to Bill in the manner and form as follows: (inserting therein the language deemed necessary to accept the specific recommendations)", or

(2) By considering the bill as a vetoed bill and overriding the Governor's specific recommendations. The form of the motion in this event shall be: "I move that Bill pass notwithstanding the Governor's specific recommendations for change."

44.5. *Veto Actions.* When the appropriate motion pertaining to a bill vetoed in its entirety or an item vetoed in full receives the affirmative vote of at least three-fifths of the members elected to the House, the Speaker shall declare that the bill or the item has passed, notwithstanding the veto of the Governor. When the appropriate motion pertaining to a bill with an item reduced in part or a bill returned with specific recommendations for change receives the affirmative vote of at least a majority of the members elected to the House, the Speaker shall declare that the item has been restored or that the Governor's specific recommendations for change have been accepted. When the appropriate motion pertaining to a bill returned by the Governor with specific recommendations for change receives the affirmative vote of at least three-fifths of the members elected to the House, the Speaker shall declare that the bill has passed notwithstanding the amendatory veto of the Governor. In each case, the bill shall then be so certified by the Clerk, who shall note thereon the day the bill passed. The bill and the objections of the Governor thereto shall then be immediately delivered to the Senate.

When specific recommendations for change have been accepted they shall be attached to the bill which shall then be delivered to the Senate.

44.6. *Receipt of Executive Reorganization Orders.*

(a) Whenever the House receives from the Governor an executive order providing for the reassignment or reorganization of functions among executive agencies responsible to him, pursuant to Article V, Section 11 of the Constitution, the order shall be entered on the Journal immediately.

(b) If the day of receipt of such order by the House is not the same as the official day of delivery, as defined by Article V, Section 11 of the Constitution, the Speaker shall determine such date and his date determination of the date of delivery shall be entered on the Journal.

(c) The Speaker shall immediately refer such executive order to a committee for consideration.

44.7 Committee Action on Executive Reorganization Orders.

(a) The committee to which an executive order is referred shall hold hearings and shall consider it in the same manner and subject to the same procedures as a bill, including the notice requirements of Rule 18, except that the executive order shall not have a legislative sponsor.

(b) If such executive order is officially delivered to the House prior to April 1 of a regular session, the committee shall hear it and consider it in preference to any other matters before the committee.

(c) The committee may consider and sponsor bills to implement such order or to provide an alternative reorganization or reassignment of functions or agency structure among executive branch agencies in connection with consideration of an executive reorganization order, and may report such bills to the House notwithstanding any deadlines otherwise applicable to committee bills under these Rules.

(d) The committee shall report the executive order together with its recommendation of whether the House should disapprove it no later than the

49th day after its official delivery to the House. If the committee recommends disapproval, it shall introduce a resolution for that purpose, and shall file a written report of its reasons and conclusions. If the committee does not recommend disapproval, it may submit such report as may be appropriate. Any member of the committee may submit a written concurring or minority report to the House.

44.8. House Action on Executive Reorganization orders.

(a) The House may disapprove of an executive order issued under Article V, Section 11 of the Constitution only by resolution adopted by an affirmative record vote of 89 members.

(b) No such resolution shall be in order until the committee to which such executive order is referred has reported to the House, or has been discharged from further consideration of such order, but shall be on the Speaker's table until such time.

(c) The committee to which such an executive order is referred may be discharged from further consideration upon a written motion which shall be on the calendar one day prior to being called. The motion to discharge shall require 107 affirmative votes for adoption prior to the 40th day after the official day of delivery of the order. Subsequently, the motion shall require an affirmative vote of 89 members.

(d) The reports and resolution of the committee to which such order has been referred, if any, shall be reproduced and distributed on the members' desks for one day before any resolutions may be called concerning the executive order.

VIII VOTING

45. *Voting, Generally.*

(a) The Speaker shall put all questions distinctly, as follows: "All those in favor vote 'Aye' and those opposed vote 'Nay'".

(b) If the vote is viva voce and the Speaker doubts the result, the Speaker shall order a record vote taken.

(c) Upon the motion of any member, joined by four other members, a record vote shall be taken on any question. A "record vote" is a roll call vote by yeas and nays entered on the Journal. Such a motion must be made before proceeding to other business.

(d) On any question the Speaker may order a record vote or a verified oral roll call vote to be taken.

46. *Electrical Roll Call.*

(a) All record votes of the House shall be taken on the electrical roll call system unless it is not working.

(b) When the House is ready to vote upon any question by a record vote, the Clerk shall start the vote-recording equipment. When the vote is completed, the Clerk shall advise the Speaker of the result and he shall declare the vote and the result to the House. The Clerk shall enter the roll call vote and the result on the Journal.

47. *Oral Roll Call, Verified Oral Roll*

Call. (a) An oral roll call shall be taken in lieu of an electrical roll call only if the electrical roll call system is not working. The Clerk shall call the names of the members alphabetically, and the members shall, when called or recognized, vote by orally declaring their vote.

(b) When the Speaker orders a verified oral roll call, each member shall be seated and shall remain at his own desk, during the vote. The Clerk shall call the roll of members alphabetically. During the roll call, a member may vote only when his name is called. Members shall vote by rising at their desks, by calling out their vote, and by simultaneously voting their electrical voting switch on the desk. When the call of the roll is complete, the Speaker shall call for any further votes, and members may be recognized to vote or to change their vote until the result is declared, whereupon the vote shall be final. Any member may challenge the vote of any other member at the time his vote is cast. The Clerk shall maintain the official roll call in writing, which shall prevail in case of conflict with the tally on the electrical roll call system.

48. Verification.

(a) Any member may demand a verification of an electrical roll call vote, except for a vote which requires a specific number of affirmative votes and which has not received the required vote. Whenever a verification is properly demanded, the Speaker shall either order the verification under this Rule or shall order a verified oral roll call on the question.

(b) If the question on which the roll call is being verified requires a specific number of affirmative votes, the Clerk shall call the names of those

members voting in the affirmative, and any member may have his vote corrected. If the question on which the roll call is being verified required a majority based upon the number voting (rather than a specific number of affirmative votes), the prevailing vote shall be verified by the same procedure, and the votes on the losing side shall not be verified unless the verification of the prevailing votes on the question has disclosed that further verification is necessary to determine the result.

(c) Following the calling of the roll on either side of a question being verified, the member demanding the verification may challenge the presence of a member recorded, but once a member has responded to a challenge to his vote, he may not be further challenged during that verification.

(d) Notwithstanding a motion to reconsider, a member supported by five other members is entitled to a verification of a roll call vote on the question last considered by the House until either the next matter is called or the House has proceeded to the next order of business, whichever occurs first. Except for a verification, a bill or resolution shall be finally disposed of if a motion to table prevails.

49. *Polling of Absentees.*

Any member may demand the polling of the absentees on a roll call vote prior to the announcement of the result, except on a verified oral roll call vote. The Clerk shall then read the names of those members who have not voted on the roll call and any member may have his vote corrected. A demand for a polling of the absentees shall take precedence over a demand for a verification if made prior to the commencement of the verification.

Notwithstanding the announcement of a result of a roll call vote, a demand for a polling of the absentees may be made if a demand for a verification has been made.

50. *Roll Call Votes Final.*

(a) After an electoral roll call vote is completely recorded, and the record is taken, no member may change his vote, or add his vote aye, nay or present if previously not recorded, or remove his vote as recorded, except with the unanimous consent of the House.

(b) On a verified roll call, or a verified oral roll call, the vote shall be final when the result is declared, and no member may change, add or remove his vote subsequently.

(c) This Rule shall not be suspendable.

51. *Voting for Another.*

(a) No person shall vote on behalf of a member except the member himself.

(b) In addition to penalties as provided by law, any member who votes or attempts to vote for another member may be punished as the House may determine.

(c) In addition to penalties provided by law, any person not a member who votes or attempts to vote for a member may be barred from the floor of the House for the remainder of the session and punished as the House may further determine.

52. *Vote of Present.* A member who answers

“present” on a roll call vote shall be so recorded, but a vote of “present” shall not be counted in determining the result of the roll call vote.

53. *Access to House Area.*

(a) Only the following persons are entitled to the floor of the House, the Speaker's Corridor and the Speaker's Gallery during sessions of the House:

(d) Only members of the General Assembly may use the telephones at the member's desks at any time.

(e) The doorkeeper and his assistants shall strictly enforce this rule.

(f) This rule shall be prominently displayed outside the doors to the House Chamber.

54. *Radio, Television, Photographs.* In meetings of the whole House, TV cameras may be operated from the rear balcony only. Cameras and radio equipment may also be operated to cover the operations of the House. There shall be no photographing, televising or broadcasting in the House except with the permission of the Speaker. At all times when radio or TV broadcasting or photographing of the House is permitted, the red light at the rear of the Speaker's rostrum shall be turned on. No filming is permitted while members are explaining their votes.

55. *Decorum in Debate.* All persons shall observe the following rules of courtesy during debates:

(a) While a member is speaking, no person shall

pass between the member speaking and the Chair or otherwise disturb the members of the House.

(b) Whenever a member is about to speak on any matter, that member shall rise and respectfully address the Chair as "Mr. Speaker".

(c) When recognized by the Chair, the member may then speak to the question under debate, avoiding personalities, names and discourteous language.

(d) No motion is in order unless the member so moving makes it from the member's own seat.

(e) When two or more members rise at once, the Speaker shall name the member who is to speak first.

(f) No member shall speak longer than 10 minutes at one time nor more than once on the same question except by leave of the House. However, the Sponsor of a measure always has the right to close the debate, with an additional five minutes.

(g) If a question remains pending when the House adjourns on a day and is revived on the succeeding day, no member who has spoken on the preceding day may speak again on the question without leave.

(h) A member may yield to another the time allotted for the member's debate, but no member may yield to another time allotted for explanation of vote.

(i) Only the Speaker, Majority Leader and Minority Leader may introduce or recognize guests

in the House area or in the balconies and no such introduction or recognition shall occur while any other matter is before the House.

55.1 *Distribution of literature.* No literature may be distributed on the House floor.

56. *Decorum in Voting.* All persons shall observe the following rules of courtesy during voting:

(a) No person shall visit or remain at the Clerk's desk while any vote is being taken or otherwise distract the clerks from their duties.

(b) Except as provided herein, every member has the right to take one minute to explain his vote at any time up to the announcement of the vote on a question, notwithstanding the ordering of the previous question. Other than the chief sponsor of the matter under consideration, no member who has spoken in debate on a question shall have the right to explain his vote on that question. A member may not yield his time for explanation of a vote to another member.

(c) No person shall disturb the Speaker or members of the House while the Speaker is putting a question or addressing the House.

57. *Absences.* No member may be absent from a session of the House unless he has leave, is sick or his absence is unavoidable.

58. *Calling Members to Order.* The Speaker shall, and any member may, call a member to order for transgressing the Rules.

X PRACTICE

59. *Quorum.*

(a) 89 members constitute a quorum.

(b) When a call of the House or a roll call upon any bill, resolution or motion discloses the absence of a quorum, then the following is the order of business:

(1) a motion to produce a quorum by compelling the attendance of absent members.

(2) a motion to fix the time to which to adjourn or recess.

(3) a motion to adjourn or recess.

(4) a motion to call the House.

60. *Motions, Generally.* The following are general rules for all motions:

(a) Any motion shall be reduced to writing if the Speaker or any member desires it.

(b) Before the House debates a motion, the Speaker shall state an oral motion and the Clerk shall read aloud a written motion.

(c) Once a motion has been stated by the Speaker or read aloud by the Clerk, it may be withdrawn only by leave of the House.

(d) If a motion is divisible, any member may call for a division of the question. A motion to strike out and insert is indivisible.

(e) Subject to the provisions of Rule 65, any question taken under consideration may be withdrawn, postponed or tabled by unanimous consent or, if unanimous consent is denied, by a motion adopted by a majority of the members voting on the motion.

(f) Subject to the provisions of Rule 63, all motions shall be disposed of in the order in which they are moved.

61. *Precedence of Motions.*

(a) While a question is under debate, no motion may be entertained except:

to fix the time to which to adjourn or recess;

to adjourn or recess;

to call the House;

to lay on the table;

the previous question;

to commit;

to postpone to a day certain;

to postpone to a day indefinite;

to strike the enacting clause; and

to amend.

(b) The following motions shall have precedence in the order in which they are named:

(1) a motion to postpone to a day certain, to commit or to postpone indefinitely, once it is decided, shall not be in order again on the same day or at the same stage of the bill or proposition.

(2) a motion to strike the enacting clause of a bill has precedence of a motion to amend and, if carried, is equivalent to rejection of the bill.

62. *Motion to Reconsider.*

(a) A member who voted on the prevailing side of a record vote on a matter still within the control of the House may on the same day move to reconsider the vote or may give written notice that he will move to reconsider not later than the next legislative day. The motion to reconsider may be laid on the table without affecting the vote to which it referred. When the motion to reconsider or the notice of the motion is made within three days of June 30th of a regular session, any member may move that the vote on reconsideration be taken immediately. A question that requires 89 votes or more to carry requires 89 votes to reconsider.

(b) A motion to reconsider a record vote on the adoption of an amendment may be made at any time on Second Reading, but the vote on reconsideration shall require a record roll call vote. An amendment adopted by the House on a record vote may not be tabled by motion until its adoption has been reconsidered.

(c) If a motion to reconsider is made pursuant to this Rule and the motion is later tabled, the question shall not be further reconsidered. This sub-section can be suspended only upon an affirmative vote of 107 members.

63. *Motion to Take from Table.*

(a) A motion to take from the table shall not be taken up until it appears on the daily calendar. Motions to take from the table may be filed with the Clerk at any time and shall appear on the daily calendar on the next legislative day.

(b) A motion to take from the table shall require the affirmative vote of 107 members.

(c) A bill taken from the table shall be placed on the daily calendar on the order on which it appeared before it was tabled; a bill taken from the table which previously has not appeared on the daily calendar on the order of Second Reading shall be placed on the daily calendar on the order of Second Reading—First Legislative Day.

(d) The provisions of sub-sections (a) and (b) of this Rule may be suspended only by an affirmative vote of 107 members.

64. *Tabling.*

(a) A motion to lay on the table applies only to the particular proposition.

(b) A motion to table a bill shall identify the bill by number. The principal sponsor of a bill or resolution may, with leave of the House, table the bill or resolution at any time. A motion to table a Committee bill may be adopted only by a vote of 89 members.

(c) The principal sponsor of a bill or resolution in a committee may, with leave of the Committee, table the bill or resolution. Upon such tabling, the

Chairman of the Committee shall return the bill or resolution to the Clerk, noting thereon that it has been tabled.

(d) A motion to table an amendment adopted by the House on a voice vote or by a committee shall be in order on Second Reading. A motion to table a committee amendment shall have priority over a floor amendment. Motions to table amendments are debatable.

65. *Motion for the Previous Question.*

(a) When the previous question has been moved, the question is "Shall the main question now be put?" and until it is decided, no amendments or debate are in order. If it is decided that the main question shall not be put, the main question remains under debate.

(b) Subject to the provisions of sub-section (c), the following situation obtains when the previous question is ordered: no further debate is in order and the House shall vote immediately first upon all amendments reported or pending in the inverse order in which they are offered, and then upon the main question itself, as amended. It is also not in order to call the House unless the record vote on the main question indicates the absence of a quorum. It is further not in order to move to adjourn prior to a decision on the main question.

(c) If a motion to postpone is pending when the previous question is moved, the only action in order is an immediate vote on the previous question.

(d) Upon the motion of a member, supported by four other members, a record vote on the motion for the previous question shall be taken.

(e) The motion for the previous question requires approval of two-thirds of the members voting on the question.

66. *Motion to Discharge Committee.*

(a) Any member may move that a committee be discharged from consideration of any bill or resolution assigned to it and not reported back unfavorably.

(b) The motion must be in writing and shall be carried on the daily calendar for the next legislative day under the order of "motions". No action shall be taken on the motion until it is on the calendar. This subsection (b) may be suspended only by motion adopted by 107 votes.

(c) If the motion receives an affirmative vote of 89 members the bill shall be placed on the order of Second Reading—First Legislative Day.

67. *Motion to Adjourn.*

(a) A motion to adjourn is neither debatable nor amendable.

(b) The Clerk shall enter in the Journal the hour at which every motion to adjourn is made.

(c) Unless the Speaker orders otherwise, the standing hour to which the House adjourns is 9:30 a.m.

(d) A motion to adjourn for more than 3 days is not in order unless both Houses have adopted a joint resolution permitting such adjournment.

68. *Conference Committee Reports, Concurrences.*

(a) Conference Committee reports and Senate amendments to House bills shall be reproduced and must be upon the member's desks before being taken up or voted upon. This subsection may be suspended only upon the affirmative vote of 107 members.

(b) A Conference Committee report shall be placed on the calendar under the heading "Conference Committee Reports"

(c) Senate amendments adopted to House bills which have passed the Senate shall be placed on the calendar on the order of "Concurrence". House amendments adopted to Senate bills which have passed the House, which the Senate has returned to the House after refusing concurrence therewith, shall be placed on the calendar on the order of "Non-Concurrence".

(d) Before being taken up or voted upon, Conference Committee Reports and Senate amendments on the order of concurrence shall be reproduced, distributed on the members' desks and listed on the daily or a supplemental calendar in advance according to the following schedule:

June 16-June 27 3 hours

June 28-June 30 1 hour

All other times 1 day

(e) After June 30 of any year, the House may not take up or vote upon Conference Committee Reports or Senate amendments to the House bills or

House amendments to Senate bills with respect to bills which have as of that date passed both houses but which have not received final action by both houses. Such bills shall not again be taken up by the House, and all such House bills shall be tabled.

69. *Dissent Recorded.* Any two members may dissent respectfully from any action of the House they consider injurious to any individual or the public and may have their dissent entered upon the Journal at their request.

70. *Appeals.* Any six members may move an appeal from any ruling of the Chair. If the appeal receives the affirmative vote of 89 members it is sustained. The question is, "Shall the Chair be overruled?"

71. *Parliamentary Authority.* The rules of parliamentary practice comprised in the latest edition of Robert's Rules of Order—Newly Revised, shall govern the House in all cases in which they are applicable and in which they are not inconsistent with the standing rules and orders of the House, or the joint rules of the Senate and House of Representatives.

72. *Amendments or Suspension of Rules.*

(a) A motion to suspend a House Rule or Joint Rule shall identify the particular rule or rules affected.

(b) Any rule may be suspended upon a proper motion and an affirmative vote of 89 members unless the rule affected specifies otherwise. However, any rule or portion of a rule providing a procedure which requires an extraordinary majority

may be suspended only by the same extraordinary majority.

(c) Rules may be amended only by resolution.

(d) Any resolution proposing to amend a House Rule or a Joint Rule which is offered by a member on the floor shall be referred to the Committee on Rules. Notwithstanding the provisions of Rule 66 the Committee on Rules may be discharged from consideration of a resolution only upon the affirmative vote of 107 members. The Committee on Rules, when considering resolutions under this subsection (d), shall be subject to the notice requirements of Rule 18.

(e) Resolutions for amendment of the House rules or the Joint Rules may be initiated by the Committee on Rules.

(f) A resolution to amend the House Rules which is adopted by a 3/5 vote of the members of the Committee on Rules may be adopted by an affirmative vote of 89 members.

(g) A resolution to amend the House Rules or the Joint Rules which is adopted by the Committee on Rules by a majority of the members but not by a 3/5 majority of the members of the committee shall appear on the calendar for one legislative day prior to being taken up by the House, and may be adopted by an affirmative vote of 89 members.

(h) This Rule may be suspended only upon an affirmative vote of 107 members.

73. *Consideration of Bills after Deadlines.*

In the even numbered years, and after the applicable deadlines under Rules 25 (d), 27 (b) and 35 (g) in odd numbered years, the following procedures shall apply:

(a) A bill pending in committee may not be reported unless exempt under the provisions of Rule 27 (c).

(b) Bills introduced which are exempt under the provisions of Rule 27 (c) shall be referred to the committee on the assignment of bills for assignment to committee and may thereafter be acted upon.

(c) Other bills introduced shall be referred to the Rules Committee, and may not be acted upon unless exempted pursuant to Rule 27 (c) (3).

XI ELECTION CONTESTS AND QUALIFICATIONS CHALLENGES

74. *Election Contests and Qualifications Challenges.*

(a) An election contest shall place in issue only the validity of the results of an election of members of the House of Representatives in a legislative district. An election contest may result only in a determination of which candidates in such an election were properly elected to the House and shall be seated.

(b) A qualifications challenge shall place in issue only the qualifications of an incumbent member of

the House under the Constitution, or the legality of an appointment of a person as a member of the House to fill a vacancy. A qualifications challenge may result only in a determination of whether a member of the House is properly seated.

(c) Election contests and qualifications challenges shall be brought and conducted as provided in these rules.

(d) Each election contest and qualifications challenge filed with the Clerk shall be referred by the Speaker to the Committee on Elections.

(e) The committee may adopt rules to govern election contests and qualifications challenges, provided that such committee rules must be consistent with these rules, must be filed with the clerk, and must be made available to all parties and to the public. Any committee rule shall be subject to amendment, suspension or repeal by House resolution.

75. Initiating Election Contests.

(a) Election contests may be brought only by a registered voter of the legislative district or by a member of the House.

(b) Election contests may be brought only by the procedures and within the time limits established by The Election Code. Notice of intention to contest shall be served on each person certified as elected to the House of Representatives from the legislative district within the time limits established by the Election Code. The requirements of this subsection shall be applicable to a member of the House ap-

pointed to fill a vacancy the same as if that member had been elected to the House.

(c) Within 10 days of the convening of the House of Representatives in January following the general election contested, each contestant shall file with the Clerk a petition of election contest and shall serve such petition on each incumbent member of the House from the legislative district. A petition of election contest shall allege the contestant's qualifications to bring the contest and to serve as a member of the House of Representatives, that he believes that a mistake or fraud had been committed in specified precincts in the counting, return or canvass of the votes or that there was some other specified irregularity in the conduct of the election in specified precincts. A petition of election contest shall contain a prayer specifying the relief requested and the precincts in which a recount or other inquiry is desired. A petition of election contest shall be verified by affidavit swearing to the truth of the allegations or based upon information and belief, and shall be accompanied by proof of service on all respondents.

(d) A notice of intent to contest may not be amended to cure a defect under the statutory requirements. A petition of election contest, if filed and served subsequent to the notice of intention to contest, may not raise points not expressed in the notice.

(e) All incumbent members of the House from the legislative district shall be necessary parties to the initiation of an election contest. The committee may dismiss the proceedings as to any incumbent member for good cause, in which event the votes received by the dismissed member shall not be recounted by the

committee except as may be necessary in a precinct to ascertain whether an overcount has occurred as specifically alleged in the petition of election contest.

76. Initiating Qualifications Challenges.

(a) Qualifications challenges may be brought only by a registered voter of the legislative district of the representative challenged or by a member of the House.

(b) Qualifications challenges must be brought within 90 days of the day the challenged member takes his oath of office as a member of the House of Representatives, or within 90 days of the day the petitioner first learns of the information on which the challenge is based, whichever occurs later.

(c) A qualifications challenge shall be brought by filing a petition of qualifications challenge with the Clerk, and by serving a copy of the petition on the respondent member of the House. The petition must be accompanied by proof of personal service upon the respondent member and must be verified by affidavit swearing to the truth of the allegations or based upon information and belief. A petition of qualifications challenge shall set forth the grounds on which the respondent member is alleged to be constitutionally unqualified, or on which his appointment to the House is claimed to be legally improper, the qualifications of the petitioner to bring the challenge, and a prayer for relief.

77. Contests and Challenges—Due Process.

(a) Election contests and challenges shall be heard and determined as expeditiously as possible

under adversary procedures wherein each party to the proceedings has a reasonable opportunity to present his claim, any defense and arguments, and to respond to those of his opponents. All parties may be represented by counsel.

(b) Election contests and qualifications challenges shall be heard and determined in accordance with the applicable provisions of The Election Code and other Illinois statutes, the Illinois Constitution of 1970 and the United States Constitution. Judicial decisions which bear on a point of law in a contest or challenge shall be admissible in the arguments of the parties and the deliberations and decisions of the committee. Judicial decisions applicable to a point of law or to a fact situation to the committee shall be given weight as precedent.

(c) In addition to notice of meetings required under these rules, the committee and any subcommittee shall give notice to all parties reasonably in advance of each meeting or other proceeding. The committee shall also give notice of all rules, timetables or deadlines adopted by the committee. Notice under this subsection shall be in writing and shall be given either personally with receipt, or by certified mail (return receipt requested) addressed to the party at his place of residence and to his attorney of record at his office if so requested by the party.

78. Committee Proceedings and Powers in Contests and Challenges.

(a) All proceedings of the committee and any subcommittees concerning election contests and qualifications challenges shall be transcribed by a certified court reporter. Copies of the transcript

shall be made available to the members of the committee and to the parties.

(b) The committee may dismiss an election contest or qualifications challenge, or may determine to proceed to a recount or other inquiry. The committee may limit the issues to be determined in a contest or challenge, except that where a recount is conducted in an election contest, any precinct timely requested by any party to be recounted shall be recounted by the committee.

(c) In conducting inquiries, investigations and recounts in election contests and qualifications challenges, the committee shall have the power to send for and compel the attendance of witnesses and the production of books, papers, ballots, documents and records, by subpoena signed by the chairman of the committee as provided by law. In conducting proceedings in election contests and qualifications challenges, the chairman of the committee and the chairman of any subcommittee may administer oaths to witnesses, as provided by law, and for this purpose a subcommittee shall be deemed to be a committee of the House.

(d) The committee may issue commissions by its chairman to any officer authorized to take depositions of any necessary witnesses as may be permitted by law. In recounting the ballots in any election contest, however, no person other than a member of the committee shall handle any ballots, tally sheets, or other election materials without the consent of the committee or subcommittee. The responsibility for the actual recounting of ballots may not be delegated.

(e) The committee shall maintain an accurate

and complete record of proceedings in every election contest and qualifications challenge. Such record shall include all notices and pleadings, the transcripts, and roll call votes, all reports and dissents, and all documents which were admitted into the proceeding. The committee shall file the record with the Clerk of the House upon the adoption of its final report. The record shall then be available for examination in the Clerk's Office,

(f) With the approval of the Speaker, the committee may employ clerks, stenographers, court reporters, professional staff and messengers.

79. Adoption of Reports in Contests and Challenges.

(a) All final decisions of the committee regarding an election contest or qualification challenge shall be reported in writing to the House, and approved by a majority of the members of the Committee. Reports shall include a specific recommendation to the House as to the disposition of the contest or challenge. Final reports following full inquiry on the merits of a contest or challenge shall contain findings of fact, and where necessary, conclusions of law.

(b) Any member of the committee may file a dissent from a report of the committee, a minority report, or a special concurrence with the majority report or with any minority report.

(c) A subcommittee shall report to the committee in writing in the same form as required for the committee report. Subcommittee members may file dissents, reports or special concurrences.

(d) Reports shall not be adopted by the committee or a subcommittee until a hearing has been held thereon, with notice to all parties and a reasonable opportunity to examine and respond to a proposed majority report.

(e) Reports of the committee shall be filed with the Clerk, printed and placed on the members' desks along with any dissents, minority reports or special concurrences. The report shall be listed on the calendar under the heading "Report of Election Contest" or "Report of Qualifications Challenge". The report shall be carried on the daily calendar for 2 legislative days prior to any action by the House.

(f) The House shall adopt the majority report or a minority report in an election contest or qualifications challenge or shall refuse to adopt any report filed and re-refer the contest or challenge to the committee for further proceedings or for a modified report. A report which has the effect of unseating an incumbent member of the House of Representatives shall be adopted only upon an affirmative vote of 89 members.

(g) Each party to a contest or challenge shall file with the Clerk of the committee within 10 days of the filing of the final report a detailed statement of attorney's fees and expenses incurred by said party in connection with the case. The committee shall make recommendations to the House concerning reimbursement of attorney's fees and the expenses of the parties. Such recommendation shall not exceed a sum that is reasonable, just and proper.

XII DISCIPLINARY PROCEEDINGS

80. *Initiating Disciplinary Proceedings.*

(a) Disciplinary proceedings may be commenced by the filing of a petition for a special investigating committee with the Speaker. Such a petition must be signed by at least one member of the House, and shall contain suggested charges which, if true, may subject the member named in the petition to disciplinary action by the House of Representatives. If such a petition is signed by three or more members of the House, the Speaker shall appoint a special investigating committee. If such a petition is signed by less than three members of the House, the Speaker shall consult the member named in the petition, and unless such member objects in writing, the Speaker shall appoint a special investigating committee. If the member named in the petition objects to the appointment of a special investigating committee, any member who signed a petition for an investigation under this rule may introduce a resolution to initiate disciplinary proceedings. Unless a resolution initiating disciplinary proceedings is introduced pursuant to this rule, the contents of a petition for a special investigating committee shall be confidential except as to the member named, the members signing it, the Speaker, and the members of a special investigating committee.

(b) A resolution to initiate disciplinary proceedings shall be substantially in the following form:

“BE IT RESOLVED BY THE HOUSE OF
REPRESENTATIVES OF THE

GENERAL ASSEMBLY OF THE STATE OF ILLINOIS, that a Special Investigating Committee be appointed to investigate allegations concerning the conduct of Representative _____ which, if true, may subject that member to disciplinary action by the House of Representatives.”

A resolution to initiate disciplinary proceedings may be introduced only as permitted under this rule. It shall be improper to attempt to initiate disciplinary proceedings in any manner not authorized by this rule.

(c) A resolution to initiate disciplinary proceedings shall not be assigned to committee, notwithstanding the provisions of Rule 41. Such resolution shall lie on the Speaker's Table and shall be called within 5 legislative days.

(d) A resolution to initiate disciplinary proceedings shall be debatable.

(e) A resolution initiating disciplinary proceeding may be adopted only by an affirmative vote of 89 members.

(f) This rule may be suspended only by unanimous consent.

81. *Preliminary Investigation.*

(a) Pursuant to a petition or upon the adoption of a resolution initiating disciplinary proceedings, as provided in Rule 80, the Speaker shall appoint a special investigating committee consisting of 6 members, of whom 3 shall be from the majority party and 3 shall be from the minority party. The Speaker shall appoint the chairman of the special

investigating committee from among the 6 members thereof. Sponsors of the initiating resolution may not be appointed to the special investigating committee.

(b) The special investigating committee shall conduct a thorough investigation of all allegations and charges of impropriety concerning the member named in the initiating resolution which are brought to its attention to determine if reasonable grounds exist to bring charges against such member for formal disciplinary proceedings by the House of Representatives. The special investigating committee shall meet with the sponsor of the initiating resolution at its initial meeting.

At the initial meeting, the sponsor of the initiating resolution shall submit to the special investigating committee a written list of suggested charges. Such list shall define the scope of the inquiry or investigation pursuant to the initiating resolution. If the sponsor of the initiating resolution fails to submit such a list, the Special Committee shall report a resolution of exoneration.

The sponsor of the initiating resolution shall also submit to the Special Investigating Committee all information he may have relevant to the charges and allegations.

(c) The special investigating committee shall conduct all of its proceedings in executive session, and shall maintain strict confidence as to all of its proceedings, and all witnesses, testimony, information and exhibits that may come before it. No transcript or record of proceedings shall be taken. This subsection shall be adopted and effective upon an affirmative vote of 118 members. This subsection may not be suspended.

(d) Except for its initial meeting, the provisions of Rule 18 shall not apply to meetings of the special investigating committee, but the chairman shall give notice of all meetings to the member named in and the sponsor of the initiating resolution and shall give reasonable notice to the public. The member who is the subject of the initiating resolution shall have the right to counsel during proceedings of the special investigating committee.

(e) Except for subsection (c), this rule may be suspended only by an affirmative vote of 107 members.

82. *Report of Special Investigating Committee.*

(a) The special investigating committee shall report in writing. All reports shall be signed by the members supporting the report.

(b) If majority of the membership of the special committee determines to prefer charges, it shall file with the Clerk of the House a formal statement of charges and specifications, and shall appoint 2 members of the House, one from the majority and one from the minority party, who are not members of the special investigating committee to be managers for the House at the hearing on the charges. The statement of charges shall constitute the report of the special committee but the special committee in its discretion may file a supplementary report stating its reasons for not bringing any other charges which may have been suggested to it.

(c) If the special committee determines not to prefer charges, it shall file with the Clerk a resolution exonerating the member named in the initiating resolution together with a report stating its

reasons for not preferring charges.

(d) If the special committee cannot by majority vote of its membership determine whether or not to prefer charges, the committee shall file with the Clerk a resolution of exoneration and a report, stating the affirmative reasons for not preferring charges. That report shall be signed by all members of the special investigating committee, irrespective of their original vote in the committee proceedings on whether to prefer charges.

(e) This rule may be suspended only upon an affirmative vote of 107 members.

83. *Select Committee on Discipline.*

(a) Whenever charges are preferred against any member of the House pursuant to Rule 82, the Speaker shall appoint a committee, to be known as a select committee on discipline, to hear and determine such charges. The select committee shall consist of 12 members of the House, 6 of whom shall be of the majority party and 6 of whom shall be of the minority party. The Speaker shall appoint a chairman of the select committee from among the 12 members. No member who served on the special investigating committee nor any sponsor of the initiating resolution may be appointed to the select committee.

(b) All appointments to a select committee on discipline shall be completed and the select committee shall convene within 30 days of the filing of charges for which the committee is appointed.

(c) This rule may be suspended only upon an affirmative vote of 118 members.

84. *Hearings on Disciplinary Charges.*

(a) Proceedings before the select committee on discipline shall be adversary in form, with the managers for the House presenting the case for disciplinary action. The respondent member may be represented by counsel.

(b) Stipulations of fact shall be encouraged by the Select Committee.

(c) The rules of evidence applicable to criminal proceedings shall apply except as may be waived by the managers or respondent, as may be appropriate.

(d) This rule may be suspended only upon an affirmative vote of 118 members.

85. *Report of Select Committee.*

(a) The committee shall vote on each specification and charge, provided that a vote of exoneration on a charge shall be a vote as to all specifications under that charge. All final votes on the merits of a charge or specification shall be by record roll call.

(b) A finding of fault or exoneration on any specification or charge shall require an affirmative vote of a majority of the members appointed to the select committee.

(c) The committee shall file a report of its findings on each specification and charge and a recommendation as to penalty with the Clerk. The report shall state the reasons for each conclusion and recommendation. If the committee finds the

respondent member exonerated regarding any charge, it shall report a resolution of exoneration together with its report. If the select committee finds the respondent member at fault regarding any charge, it shall report a resolution embodying its findings and recommended penalty.

(d) If a select committee reports a finding of fault regarding any charge, any member of the select committee may file a minority report with the Clerk either dissenting from a finding, reason, or recommendation in the majority report or stating a concurrence therewith on different grounds. A dissenting report may include a resolution of exoneration as to any charge or specifications.

(e) Whenever a select committee has found a member at fault regarding a charge, the committee shall adopt a recommendation for disciplinary action. The committee may recommend a reprimand, a censure, expulsion from the House, or that no penalty be invoked. The recommendation on disciplinary action shall require an affirmative vote of the majority of the membership of the select committee.

(f) This rule may be suspended only upon an affirmative vote of 107 members.

86. *House Action on Disciplinary Reports.*

(a) The report of a select committee, together with any dissenting or concurring reports, and any accompanying resolutions, shall be printed and placed on the members' desks. The report shall be placed on the calendar under the heading "Report of Select Committee on Discipline". The report shall

be carried on the daily calendar for 2 legislative days prior to any action by the House.

(b) If the report of a select committee or a special investigating committee exonerates the respondent member, the House shall take up the resolution or re-refer the case to the committee for further proceedings

(c) If the select committee reports a finding of fault as to any charge, the House shall take up the resolution for disciplinary action together with any minority resolutions. The House may amend a resolution for disciplinary action to decrease the recommended penalty.

(d) The House shall take action by a record vote on each such resolution. Adoption of a resolution finding the respondent member at fault regarding charges and specifications shall dispose of any minority resolutions of exoneration on such charges and specifications. If the House adopts a resolution of exoneration as to any charge or specification, a majority resolution shall be amended in accord with such disposition of those charges and specifications before it may be called for a final vote. If the adoption of exoneration resolutions disposes of all the charges and specifications in a majority resolution for disciplinary action, the majority resolution shall be tabled.

(e) Following record votes on all majority and minority resolutions arising out of a select committee finding of fault on a charge or specification, if there remains any such charge or specification on which the House has neither exonerated the member or adopted a finding of fault, then any member may

introduce and move a resolution of exoneration on such charge or specification.

(f) A resolution finding a member at fault regarding a charge may be adopted only upon an affirmative vote of 107 members, provided that a resolution the effect of which is to expel a member may be adopted only by an affirmative vote of 118 members.

(g) This rule may be suspended only upon an affirmative vote of 118 members.

HOUSE OF REPRESENTATIVES

TABLE OF EXTRAORDINARY VOTE REQUIREMENTS

Under parliamentary law, legislative actions generally require a simple majority, i.e. a majority of those voting on the question. However, the Illinois Constitution of 1970 and the House Rules frequently impose requirements for greater, or extraordinary majorities.

The most common extraordinary majorities are: (1) a "constitutional majority," a majority of the members elected, which is 89 in the House; (2) three-fifths of the members elected, which is 107 in the House; and (3) two-thirds of the members elected, which is 118 in the House.

In the House, "present" votes are recorded, but disregarded in determining the results of a vote.
(Rule 52)

HOUSE RULES REQUIREMENTS—RULES SUSPENSIONS

Generally, a House rule may be suspended by 89 votes.

However, several rules provisions require either 107 or 118 votes to suspend, because the particular provision so specifies or because of the general rule that suspension of any procedure which requires an extraordinary majority requires that same extraordinary majority to suspend it. (Rule 72(b))

In addition, some rules are non-suspendable, and some suspension motions require unanimous consent to make the motion, if the motion is not printed on the calendar.

Following are those rules which explicitly require more than 89 votes to suspend. All other provisions may be suspended by 89 votes, except where the provision being suspended involves an extraordinary vote requirement:

Rule	Vote	Provision
11(b)	107	Special order must be on the calendar 3 legislative days

18	107	Committee notice of meetings, hearings on bills, availability of printed bills
18(k)	unanimous consent	To make motion to suspend Rule 18, where motion is not on calendar
25(d)	107	Deadline for committee action on bills
27(b)	107	Deadline for introduction of bills
31(b)	unanimous consent	To make motion to advance without reference to committee, where motion is not on calendar
31(g)	107	Committee on assignment limited to holding bills 3 days during sessions
33(b)	107	Motion to take from Speaker's table limited to 2 days for filing, one legislative week for action
35(c)	107	Prohibition on considering a bill on 3rd reading,

36	107	Final passage; procedure and deadlines
37	107	Order of calling bills
41(a)	107	Assignment to committee of non-agreed resolutions
42	107	Constitutional Amendment resolution procedures
50	non suspendable	Rule governing changes of record votes
62(c)	107	Prohibition of further consideration of question when motion to reconsider is tabled
63(a)	107	Motion to take from Table required to be on calendar 1 day
66(b)	107	Motion to discharge committee required to be on calendar 1 day
